MEDICINAL.

"Shut your eyes, open your mouth and see what luck will bring you."

The mother smiles at the childish game, and doesn't realize that it is a game she as a woman has perhaps played for a great many years.

Many a woman is weak and sick, nervous and discouraged. She suffers from headache, backache and other ills. She wants to be well, but all she does is to shut her eyes and open her mouth for medicine and trust to luck for results.

She "doctors" month after month, often year after year, in this same blind, hap-hazard fashion, and receives no permanent benefit.

Women take Dr. Pierce's Prescription with their eyes open to the fact that it cures womanly ills. It cures irregularity. It dries debilitating drains. It heals inflammation and ulceration and cures female weakness. There is no trusting to luck by those who use "Favorite Prescription."

"My disease was displacement and ulceration of the uterus, and I was in a terrible condition with pain and weakness and had given up all hopes of ever being well again," writes Mrs. Harry A. Brown, of Orono, Penobscot Co., Me. "I had doctor with four different doctors within four months, and instead of getting better was growing weaker all the time. I decided to try your 'Favorite Prescription.' Golden Medical Discovery," and Pleasant Pellets, as I had heard of the many cures resulting from them. I bought five bottles and felt so much better after taking them that I kept on until I am as well as ever in my life, and to Dr. Pierce all the credit is due. I have been taking your medicines I only weighed one hundred and sixty pounds. I gained thirty pounds in six months. I shall doctor no more with home doctors, as it is only waste of money. I am now in perfect health, thanks to Dr. Pierce."

Dr. Pierce's Pleasant Pellets clear the muddy complexion.

WHO CAN REGISTER.
Hon. George K. Anderson, a member of the constitutional convention, writes a note to his home paper, the Bath Enterprise, denying a statement that the suffrage clause of the new constitution imposes a general property qualification. Incidentally Mr. Anderson presents the clearest statement we have yet seen of the proposed voting restrictions.

He says: "There is no general property qualification required. Under the new suffrage plan as it now stands and as it will be all probably appear in the new Constitution, the following people can register prior to January 1st, 1904:

"1. Soldiers, or
"2. Sons of Soldiers, or
"3. Persons paying the State tax on property, or
"4. Persons who can read any clause of the Constitution and give a reasonable explanation of it when read to them."

"I believe every white man in Bath county can register under one or the other of these provisions. In fact there are few, if any, who can't register under the three first clauses, namely: soldier, son of soldier, or tax payer of a dollar. If there are any they will have the opportunity of registering under clause four."

"At January, 1904, all persons not previously registered, will be required to pay up all back poll taxes for three years before they can make application. Then the application has to be made in writing, without aid. In other words, after January, 1904, there will be only a reasonable educational qualification."

"There are, of course, the poll tax prerequisites and few other minor details, but the above outline will enable every man to see if he has been disfranchised. You will notice that all the qualifications are in the alternative. If a man was a soldier that settles it. If he is the son of a soldier he gets in. If he is neither a soldier nor a son and pays 1/2 tax to the State on his property he can register. If he is not a soldier, son of a soldier nor pays 1/2 tax, he still has the right to register if he can read and give a reasonable explanation of it, or if he can't read, be able to explain when read to him."

NO MEDICINE FOR PRISONERS.
Attorney-General Anderson, in a letter to Milton Marye, auditor of public accounts, has given as his opinion that the State of Virginia is not required to pay for the medicines furnished to prisoners in city and county jails. In the opinion given, it is stated that the care and nursing and medical attendance of the sick in prison seems to be covered by sections 228 and 352. The only allowances are those allowed the jailer and physician by those two sections. In his letter to the auditor, Attorney General Anderson says: "I find no statute which makes the accounts referred to payable out of the State treasury, except as to items of clothing."

He further says that the statutes prescribing that the medicines and costs which may be paid out of the State treasury on account of support of prisoners in jail are given in sections 3, 352 and 4, 470 of the code.

The opinion was brought forth by the sheriff of Augusta county sending a bill to the State auditor for clothing, medicine, etc., for prisoners in the Augusta jail. Heretofore the city and county jails have had medicine furnished them at the expense of the State. It is not within the province of the physician or the sheriff to pay for medicines furnished prisoners, and it is very likely a test case will be made in regard to the new opinion given last Saturday.

If the auditor refuses to settle with the druggists furnishing medicines for prisoners, the druggists will have to sue for their money.

It is understood the druggists who furnish medicines for the city and county jails here have been notified of the present state of things and can take their own course.

Sheriff Solomon, of Henrico, said yesterday that a test case was very likely to be carried before Judge Wellford. Just what the outcome in regard to the matter will be is altogether unknown at this time, but many people are surprised that if the prisoners in city and county jails in Virginia are not entitled to free medicine why is it that the matter has just been brought to the notice of the officials?—[Richmond News.]

MAY GET HIS PROPERTY BACK.—
The conference of the attorneys in Virginia representing Mr. John Armstrong Chandler was held at Charlottesville yesterday at the office of Capt. Micaiah Woods. The attorneys present were Hon. Armistead C. Gordon, of Staunton; Fred Harper, of the firm of Daniel Harper, Lynchburg, and Capt. Micaiah Woods.

The object was to report the result of the New York meeting looking to the restoration to Mr. Chandler of his New York estate. It is probable that friendly proceedings will be entered in New York at an early date recognizing Mr. Chandler's sanity and authorizing the committing of the estate to his own control.

A Valuable Medicine For Coughs and Colds in Children.

"I have not the slightest hesitancy in recommending Chamberlain's Cough Remedy to all who are suffering from coughs or colds," says Chas. M. Cramer, Esq., a well known watch maker, of Colombo, Ceylon. "It has been some two years since the City Dispensary first called my attention to this valuable medicine and I have repeatedly used it and it has always been beneficial. It has cured me quickly of all chest colds. It is especially effective for children and it seldom takes more than one bottle to cure them of hoarseness. I have persuaded many to try this valuable medicine, and they are all as well pleased as myself over the results." For sale by Richard Gibson druggist.

ELY'S LIQUID CREAM BALM is an old friend in a new form. It is prepared for the particular benefit of sufferers from nasal catarrh who are used to an atomizer in spraying the diseased membrane. All the healing and soothing properties of Cream Balm are retained in the new preparation. It does not dry up the secretions. Price, including spraying tube, 75 cents. At your druggist's or E. J. Brothers, 108 Warren street, New York, will mail it.

Neglect Means Danger.
Don't neglect biliousness and constipation. Your health will suffer permanently if you do. DeWitt's Little Early Balm cures such cases. M. B. Smith, Boston, Mich., says "DeWitt's Little Early Balm is the most satisfactory pills I ever took. Never gripes or causes nausea." For sale by E. S. Leach, Boston & Co.
